Wireless Speakers & Home Audio Systems

Tivoli Audio™

AUDIO REIMAGINED TOGETHER

ART by Tivoli Audio mixes classic design and the latest technology to create a simple solution to wireless audio in the home. Encased in a furniture grade wood cabinet and finished with a high-quality Gabriel® fabric grill, this collection elevates the craftsmanship and technology of the Tivoli Audio product line.

These wireless and Bluetooth® enabled speakers allow for a variety of configurations to meet your playback preferences. Whether it's a single speaker playing Spotify in your kitchen, a stereo pair in your dining room, or your party playlist throughout your home, ART by Tivoli Audio speakers offer simple and flexible solutions to best fit your surroundings and enhance your world through music. Start with one and learn how simple it is to build on and match your style in each room.

Meet the Collection

Elevate your listening experience and your home décor.

CUBE

ORB

ConX

App

CUBE

Simple, stylish, and compact, the CUBE enhances your environment with lush fabrics, real wood veneer, and high quality wireless audio.

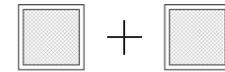

Use the CUBE as a single speaker or as part of your home's perfect audio system. It can be configured to offer mono, stereo, and multi-room playback.

Move your music with you by adding the optional battery pack to the CUBE.

The Perfect Shape of Sound

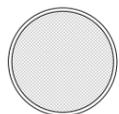

ORB

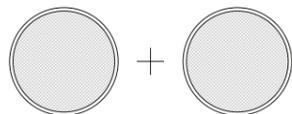

Hung on a wall like a painting or placed in its stand like a sculpture, the ORB is an object of art. As a mono unit or connected as a stereo pair, it offers uncompromising clear sound from wherever and however you choose to place it.

No sound was sacrificed in the design of the ORB. The front port allows for ample bass and volume output from its slim form factor.
